### Personal Biography:

I have been teaching for 23 years. I have worked in secondary schools for most of my career but increasingly specialising in post 16 delivery before making the move last year to teaching in an exclusively post 16 environment. I have had a range of roles including Gifted and Talented co-ordinator, SENCO, Head of English, Lead teacher with responsibility for CPD and coaching and am currently a Head of School at New College with responsibility for all English courses, MFL, Film and Media.

I have had the opportunity to train several teachers on work-based teacher training programmes, have delivered whole school/college CPD sessions, planned and delivered bespoke CPD programmes as well as coaching/ mentoring individual teachers.

I am very interested in pedagogy with a particular focus on generating stretch and challenge in the classroom as well as promoting independent learning.
