Robina Holmes

School: New College Pontefract (NCLT)

Role: Teacher of Law

Specialism: Law/NQT

Designation: SLE

Personal Biography:

I have been teaching Law at New College for six years and thoroughly enjoyed it! We run an outstanding department where students exceed their targets year on year and continuously demonstrate strong value added. I have held the position as aspiring SLE and have also had the opportunity to take leadership over the department. This role involved sharing good practice and supporting a new NQT during the year, whilst coaching another member of the department that was teaching A2 for the first time.

I have also had the opportunity to partake in an Outstanding Teaching for Learning Course this year in order to further develop my teaching and maintain outstanding results. We were also able to share good practice and take ideas away to trial in our lessons which was really beneficial. I have also recently attended the NORVIC conference and I was the subject specialist for Law for the day, for which the feedback on my sessions was excellent and would happily do it again. Although my main specialism is Law, I have particular interest with working with NQT's and coaching them as part of my role. I am looking forward to networking and sharing good practice during visits to other establishments, as well gaining further development as a teacher myself.
