

## Level 6 Award

# Professional Vocational Qualification Primary School PE & School Sport Leadership

### Course Overview

The Level 6 course is a nationally recognised qualification that aims to upskill primary school teachers, HLTAs and TAs (with QTS) to improve leadership and management of the delivery of the physical education curriculum within primary schools. The aim of this qualification is to enable subject leaders to support and upskill other colleagues in teaching the physical education curriculum. On successful completion of this qualification, delegates will be able to advocate, articulate and lead physical education to achieve whole school improvement.

The program consists of three facilitated full day sessions with independent tasks undertaken in school, which will benefit individual school PE programmes and actions.
